

RELEASE BINAYAK SEN NOW

Mahatma Gandhi, father of the nation was killed by a fanatic on this day. not much has been learnt by the nation in terms of honoring people who have sacrificed themselves for fellow beings....

The life sentence awarded to Dr.Binayak Sen, is a glaring example. The Doctor has been awarded life sentence for sedition. Sedition called as the prince of all sections by M.K.Gandhi, was on numerous occasions booked under the charge.

To reflect on the state of affairs, we plan to sit on a day long fast in front of the Martry's stone opposite the Collectorate. Do join us.

The day long fast will bring in new reflections hopefully & would be posted.
