

**Demonstration to protest rejection of Binayak's bail plea by Bilaspur High  
Court  
FRIDAY 11th FEBRUARY, 2011  
5 pm  
Churchgate Station**

**dear friends,**

**News has just come in that Binayak's application for bail pending the hearing of this appeal against conviction has been rejected by Bilaspur High Court in a one line order this afternoon. the "reasoned" judgment will be pronounced later.**

**Even though this outcome is not wholly unexpected, it is a shocking instance (one more!) of the judiciary bowing down to political pressure and passing unconscionable orders.**

**after consulting with a significant number of our members, it has been decided to hold a protest demonstration at Churchgate Station at 5 pm tomorrow (i.e. Friday, 11th February, 2011). a short pamphlet in Hindi and English is being prepared.**

**all of you are requested to attend and get others also to come. and all of you are requested to make a poster each and bring it along for the demo. please also inform any print and TV journalists you might know and request them to cover the demo.**
